

Camp Lilac

An overnight summer camp for trans and gender diverse youth.

One of the first and only camps of its kind, Camp Lilac has hosted unforgettable summer experiences since 2017, specifically designed for transgender and gender diverse (TGD) youth!

TGD youth often face stressful, unwelcoming, and even hostile environments in their day to day lives, resulting in poorer mental health outcomes than their cisgender peers. Our program is designed so that campers emerge with an increased sense of confidence in their identities and a strong community of peers and supporters.

We believe our camp fills a crucial gap in the lives of TGD youth, setting them on a path to success, and our campers and their caregivers agree:

100% of campers were glad they attended Camp Lilac in 2023.

100% of caregivers agreed Camp Lilac was a beneficial experience for their camper.

"Attending this camp has actually changed my life. Finally having a place where you are fully surrounded by people living the same sort of life experience is more freeing than anyone can imagine."

- 2023 Camper

As a small nonprofit, donations help fund every aspect of camp, from space rental to food and activities. We are proud to have offered over \$38,200 in need-based scholarships to 67 campers in 2023, and it is our hope that finances will never be a barrier to attendance.
